Decision

That the boundary between Denston Parish Council and Wickhambrook Parish Council be amended as indicated on the attached map.

The new external parish boundaries are shown on the map overleaf.

The reasons for the decision include:

1. local preference
2. the decision offers parish boundaries to reflect the identities and interests of local residents and offer them more effective and convenient local government as a clearer boundary would be in place.
3. it reflects, in community identity terms, the natural boundary created by the properties on Wickham Street.
