LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Licensee will ensure that, at all times when the premises are engaged in any licensable activity, there are sufficient competent staff on duty to fulfill the terms and conditions of the license and to mitigate any risks of crime and disorder. The staff will undergo comprehensive training observations and random checks concerning their statutory obligations in relation to the sale of alcohol, promoting safety with a particular emphasis on the prevention of alcohol service to intoxicated and underage individuals. Detailed records of all training sessions, including initial and refresher training, will be meticulously documented and retained for inspection by regulatory authorities. . Age verification policy will be introduced to the premises and only acceptable ID include photo card driving licences, passports or proof of age cards bearing the PASS hologram or other forms of ID which meet the criteria will be acceptable. The staff will be trained and aware of all the policies applied where only trained, authorised and signed off staff will be authorised to sell alcohol.

b) The prevention of crime and disorder

A notice will be prominently displayed at the entrance to the premises advising patrons that any disorderly behavior or excessive noise will result in them being asked to leave. This measure is crucial for ensuring the safety of both customers and staff. Furthermore, to maintain a safe and peaceful environment, gambling and games of any kind will be strictly prohibited on the premises. This policy aims to minimize the risk of violence, vandalism, and other forms of disorderly conduct. We are dedicated to creating a welcoming atmosphere that prioritizes the well-being and security of all individuals on the premises.

c) Public safety

Public safety is a priority at our premises, ensured through several key measures. Staff will meticulously collect bins used for disposing of alcoholic drinks to prevent any accidental glass breakage. There will be no sale of alcohol to individuals appeared intoxicated. Additionally comprehensive fire safety protocols are strictly adhered to, including the presence of fire extinguishers, fire blankets, clearly marked internal fire exit signs, and multiple smoke detectors. Annual inspections of all appliances guarantee they are in optimal working order. Furthermore, all emergency exits are maintained clear of obstructions at all times, ensuring swift and safe evacuation procedures if needed. These efforts underscore our commitment to maintaining a secure and welcoming environment for all.

d) The prevention of public nuisance

To ensure a peaceful establishment clear and conspicuous notices will be prominently displayed, reminding customers to leave quietly and be mindful of our neighbors. All patrons will be courteously requested to depart without causing disturbance. The restaurant will cease sale of alcohol by 9 PM to prevent any potential noise disturbances that could affect our neighbors. Before closing, our diligent staff will inspect local bins to ensure they are not overly filled with restaurant waste any excess rubbish will be promptly collected and disposed of properly. Additionally, visible signs will serve as a reminder to consistently respect our neighbors and maintain a serene atmosphere at all times.

e) The protection of children from harm

To maintain a high level of compliance age verification policy will be strictly enforced at the premises such as Challenge 21 and Challenge 25. Only valid forms of identification, including photo card driving licenses, passports, or proof of age cards bearing the PASS hologram, or other IDs meeting the criteria, will be accepted for verifying age. All staff members will undergo thorough training to familiarize themselves with these policies and procedures. Additionally, only authorized and trained and signed off staff by DPS will be solely able to sell alcohol. This measure aims to prevent underage sales and uphold public safety standards and protect children form harm. By implementing these measures, we prioritize the well-being of our customers, community and contribute to a safe and respectful environment for all.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
