

## West Suffolk Council scheduled grass cutting programme for the week Monday 14 to Friday 18 October 2024

This will be the final published grass cutting programme for 2024. We will not be producing any more mowing details until the start of next year's mowing season in mid-March 2025.

The last two weeks have seen a mainly suspended mowing programme due to the heavy rain and wet ground conditions. However, to compensate for this, our plan will be to carry out one final blanket cut across the district as ground conditions allow.
