

West Suffolk Council scheduled grass cutting for the week Monday 7 to Friday 11 April 2025

While we aim to be as accurate as possible in forecasting and delivering our weekly grass cutting programme, please be aware that this is subject to unavoidable circumstances beyond our control including the prevailing weather and ground conditions, machinery breakdowns, staff sickness and holidays.

Western area: Brandon, Lakenheath, Mildenhall, Red Lodge and Newmarket

Southern area: Haverhill, Clare, parishes, and rural villages

Please be aware that we have certain areas of green space within Haverhill where Bee Orchids (*Ophrys apifera*) have become established and we will avoid cutting areas where we know these have colonised grassland. These orchids normally flower during June and July and are characterised by pink petals and with a purple velvety lip which mimics a female bee. Males would normally fly in during June and July to try to mate with it and end up pollinating the flower, however the right bee species doesn't live here, so this orchid is self-pollinated in the UK. We have listed these locations on our cutting programme.
