

## West Suffolk Council scheduled grass cutting for the week Monday 14 to Thursday 17 April 2025

As you are aware, next week is a four day working week due to the Easter Bank Holiday starting on Good Friday, 18 April. We will therefore not begin grass cutting until Tuesday 22 April, the following week.

While we aim to be as accurate as possible in forecasting and delivering our weekly grass cutting programme, please be aware that this is subject to unavoidable circumstances beyond our control including the prevailing weather and ground conditions, machinery breakdowns, staff sickness and holidays.

## **Southern area: Haverhill, Clare, parishes, and rural villages**

Please be aware that we have certain areas of green space within Haverhill where Bee Orchids (*Ophrys apifera*) have become established and we will avoid cutting areas where we know these have colonised grassland. These orchids normally flower during June and July and are characterised by pink petals and with a purple velvety lip which mimics a female bee. Males would normally fly in during June and July to try to mate with it and end up pollinating the flower, however the right bee species doesn't live here, so this orchid is self-pollinated in the UK. We have listed these locations on our cutting programme.
